

Clean Simplified. Confidence Delivered.

Streamline your operation with a smarter, simpler program - one that will be sure to delight your guests.

SURFACE CLEANER SANITIZER RTU

Reduces Risk:

- Kills SARS-CoV-2 in 15 seconds¹
- Kills Norovirus, the common cold and flu viruses in 30 seconds²
- EPA-registered 2-in-1 no-rinse food contact cleaner sanitizer

Simplifies Procedures:

- Streamlined procedures to simplify food code compliance
- Eliminates need for multiple products

Ensures Compliance:

- Effective for use on food contact surfaces without the need to rinse
- Robust chemistry allows for the use of any towel without changing product effectiveness

¹ Refer to label for complete use instructions. Claim approved by EPA, state approval is in progress.

² When used according to label.

Surface Cleaner Sanitizer RTU

is a simplified solution that cleans and sanitizes hard, non-porous surfaces with a single product, eliminates the rinse step, and equips your staff to clean more efficiently.

EPA-Reg No. 1677-259.
