

Electrostatic Spraying 101

An Efficient Solution for Disinfecting

It is critical to ensure your team and customers that your space is not only clean, but disinfected. ProGuard offers several disinfecting solutions to help you destroy or irreversibly inactivate bacteria and viruses. Solutions that are paired with Electrostatic Spraying (ESS) can help your disinfecting procedures become more effective and efficient.

ESS gives you the ability to rapidly and evenly coat hard surfaces with comprehensive coverage:
