

# SWISHER ULTRA PREMIUM GLASS CLEANER

- Formulated from plant derived surfactants effectively removes tough soils with streak-free, fast-drying performance on multi-surfaces.
- Dries quickly to leave surfaces sparkling clean and clear
- Use on windows, mirrors, glass, plastic, acrylics and painted surfaces
- Will not cloud acrylic and other plastic surfaces
- 2x2 L pack size

Swisher Ultra is a dispensed program featuring a closed-loop system, small package sizes and concentrated formulas designed with your operation in mind.
