

ELIMINATE TOUGH BAKED-ON SOILS

Heavy Duty Degreaser And Floor Cleaner

Heavy Duty Degreaser and Floor Cleaner is designed for use on hard nonporous floors, grease hoods, flashing and foodservice equipment.

- Dissolves tough foodservice grease, oil and food soils
- Fast-acting formula emulsifies even the largest grease spills and other restaurant messes
- Used in routine surface cleaning and helps increase protection against slips and falls

DIRECTIONS FOR USE:
(See label for complete directions)

1. Apply diluted product onto surface to be cleaned.
2. Allow product to penetrate baked-on grease, but do not let product dry on surface.
3. Scrub as needed and wipe soil off of surface.
4. Rinse with water.

RECOMMENDED USE RANGE:

General Cleaning:

Floors or Light Duty Soil: 2-4 US fl oz per US gallon

Medium Soil: 4-8 US fl oz per US gallon

Heavy Soil: 8-12 US fl oz per US gallon

For Use on Ovens or Greasy Soils:

Mix up to 64 US fl oz of concentrate per US gallon of water. Dilution will vary depending on soil levels and the surface being treated. Hot or warm water will reduce cleaning time and improve performance.
