

PROTECT YOUR METAL WARES AND YOUR BOTTOM LINE

Metal Safe Solid Dishmachine Detergent

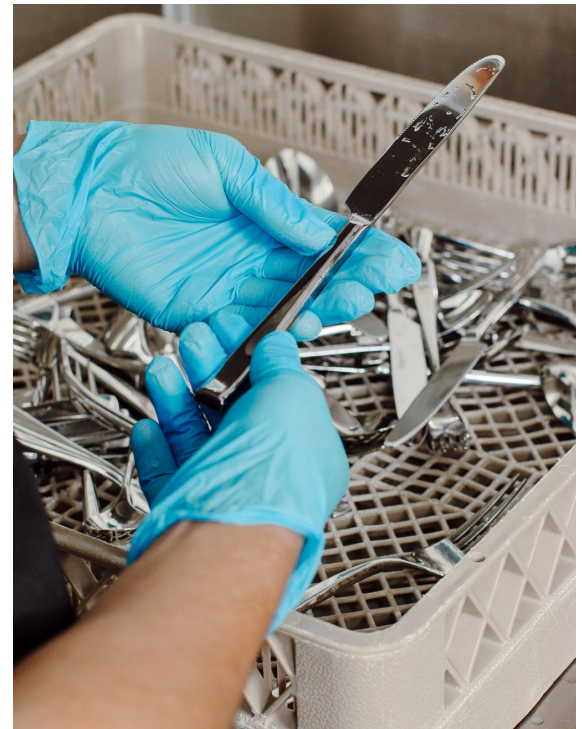

Concentrated ingredients penetrate and strip away stubborn food soils while special metal-protecting agents prevent damage to aluminum and other soft metals.

- Heavy-duty, balanced formulation
- Superior results in all conditions
- Safe handling packaging

DIRECTIONS FOR USE:

1. Carefully lift empty container from dispenser and turn upright to avoid spills.
2. Remove cap from full container and use it to seal the empty container. Dispose of empty container immediately. Do not reuse.
3. Use handle to place full container in the dispenser with the open end down.
