

A CLEAN YOU CAN COUNT ON.

Swisher solutions and ProGuard service are here with expertise and resources to help keep your staff and residents safe.

We are committed to powering your performance by helping deliver a clean and healthy experience across your entire community: by training on heightened sanitation procedures, providing innovative programs and disinfection solutions, and supporting compliance for overall public health.

Swisher COVID-19 Resources

Resources to support the highest standards of cleanliness, disinfection, and hygiene:

- Return to Normal Operations Checklists
- Updated Cleaning Procedures for COVID-19
- Long Term Care-specific COVID-19 cleaning and disinfection guidance
- Hand Hygiene Procedures
- FAQs, answered by Swisher experts
- Staff Training Tools, including videos

More resources will be added as they become available
